

Year 4, Week 7, Friday, Art

End of Year evaluation

This year we have completed many art and design and technology tasks. We would like you to think over all the work you have completed in these topics and decide what work you think was the best. Which one would you improve? What advice would you give to next year Year 4s when they complete these pieces of artwork?

You should have your books from school. Look back through all of your work.

Here are some examples of the work we have completed this year.

Roman mosaics

Lowry Art

Moving Iron Men

Greek Pots

Year 4, Week 7, Friday, Art

Task

In your Home learning books, using the sentence starters to answer these questions about the art and DT work you have completed this year.
