

Year 4 Week 5 English Day 5 - Spicy and Hot Spelling

The following spelling words are taken from the National Curriculum. Please learn to spell this list of words.

Task 1: Use the strategies we have discussed such as look, cover, write, check and writing them as part of a sentence. This time next week, you will need to ask an adult to test you on your spellings.

eight

weight

neighbour

sleigh

they

obey

grey

prey

survey

eighteen

Task 2: In your Home Learning book, write a sentence using each of the 10 words above in the right context. Think about using ambitious vocabulary and interesting sentence openers. E.g.

The eight children worked in a group to complete the class survey about modes of transport and how children travelled to school.

Extra practice

You can practise and revise spellings we have already looked at this year (Year 3-6 national curriculum lists) at <https://spellingframe.co.uk/>
