

## Year 3 Summer 2 Week 1 English Day 4 – Edit

### To edit and improve a text

In today's edit lesson, you are going to improve your writing from yesterday to make sure it is ready for a neat write up. You are then going to write it up in your best handwriting, ready for display.

**Task 1** – Write out your poem from yesterday again in your home learning book, taking care to ensure the following **steps to success**:

- Capital letters at the beginning of each line
- A capital letter for the animal
- Punctuation, where necessary
- Accurate spelling – use a dictionary
- Following the correct structure
- Neat, joined handwriting

e.g.

I have a Wolf in me.  
Hunting stealthily  
Guiding loyally,  
Intuitively sensing and  
Protecting bravely.  
Our clan believes in respect, love and determination.  
We rise together as one, fearless yet humble.  
Protecting the spirit of water, the soul of the earth  
We all have a Wolf in us.

**Task 2** – now that your poem is read to copy up, either write it out on a lined piece of paper or print off the next page and use it as bordered paper. **Remember to use the Steps to success from task 1 to make your work the best that it can be.**

**Task 3** – choose somewhere to display your work! You could even send a picture of it to your teacher with your home learning form if you wish to!
