ROUND 1:

Where does this
quote
come from?

"Why, sometimes I've believed as many as six impossible things before breakfast."

"It does not do to leave a live dragon out of your calculations, if you live near him."

"They didn't understand it, but like so many unfortunate events in life, just because you don't understand it, it doesn't mean it isn't so."

"I solemnly swear that I am up to no good."

"I shall ask for brains instead of a heart; for a fool would not know what to do with a heart if he had one."

"So come with me, where dreams are born,
and time is never planned. Just think of
happy things, and your heart will fly on wings,
forever."

"In an old house in Paris that was covered with vines, lived twelve little girls in two straight lines."

"Promise me you'll always remember, you are braver than you believe, stronger than you seem, and smarter than you think."

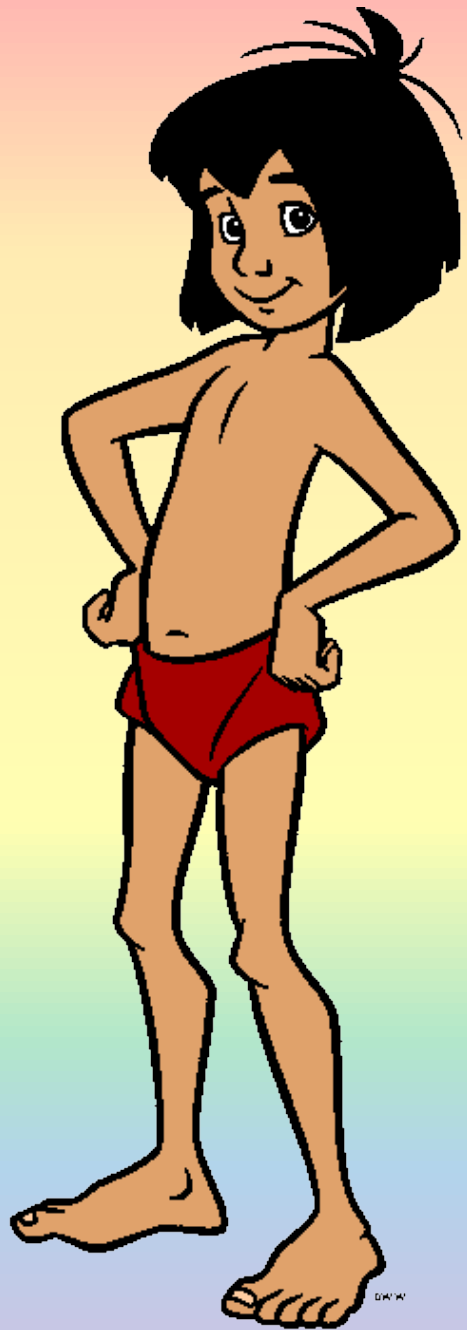

"You have been my friend, that in itself is a tremendous thing."

"May the odds be ever in your favour."
