Today, please edit the information text about tigers by spotting the mistakes and then writing the paragraph correctly in your Home Learning book in your best handwriting. Answers are on the next page.

Mild (16 mistakes)

Tygers are the largst felines in the world and as such, many cultures consider the tiger to bee a symbol of strengf, courage and dignity. The tiger is won of the twelve Chinese zodiac animals, and those born in the "Year of the Tiger" are thort to be brave, competitive and self-confident

however, because hunting them is also a syne of bravery in some cultures, tigers are endangered. Tigers are hunted for their meet, pelt and body parts that are used in folk remedies. To make matters wors, these grate cats hav lost most of their habitat due to logging, rode bilding and development, according to All About Wildlife. Experts estimate there are no more than 3,200 tigers left in the wild
