

Year 3 Week 5 Day 5 English Spelling

Task 1: Ask an adult to test you on your spellings from last week (rule: homophones)

Task 2: The following spelling words are taken from the National Curriculum. Please learn to spell this list of words from the Year 3 spelling list.

Use the strategies we have discussed such as look, cover, write, check and writing them as part of a sentence. This time next week, you will need to ask an adult to test you on your spellings.

business

caught

centre

century

certain

circle

complete

consider

continue

decide

describe

Task 2: In your home Learning book, write a sentence using each of the 12 words above in the right context. Think about using ambitious vocabulary and interesting sentence openers. E.g. *As the police were frantically searching the area, the criminal hid in the bushes to avoid being caught.*

Hot challenge: use speech and more than one word in a sentence. E.g.

"I can't decide whether to complete my English or Maths home learning task first this morning," the lazy boy muttered to himself.
