

Year 4 Week 1 English Day 5 - Mild Spelling

The following spelling words are taken from the National Curriculum. They all end in 'ight'. Please learn to spell this list of words.

Task 1: Use the strategies we have discussed such as look, cover, write, check and writing them as part of a sentence. This time next week, you will need to ask an adult to test you on your spellings.

light

tight

night

knight

right

bright

fight

white

slight

might

Task 2: In your Home Learning book, write a sentence using each of the 10 words above in the right context. Think about using ambitious vocabulary and interesting sentence openers. E.g.

*Suddenly, a **knight** in shining armour appeared on the horizon, ready to do battle with the villainous traitor.*
