Any incidents of bullying – including online bullying/racism/homophobia/ must be recorded as soon as possible using the appropriate forms on Integris on the server and filed. See Anti Bullying policy for further details

2.3. Peer- on peer abuse.

For the purposes of this policy, “**peer-on-peer abuse**” is defined as abuse between children.

- The school has a zero-tolerance approach to abuse, including peer-on-peer abuse, as confirmed in the Child Protection and Safeguarding Policy
- All staff will be aware that peer-on-peer abuse can occur between pupils of any age and gender, both inside and outside of school, as well as online. All staff will be aware of the indicators of peer-on-peer abuse, how to identify it, and how to respond to reports. All staff will also recognise that even if no cases have been

reported, this is not an indicator that peer-on-peer abuse is not occurring. All staff will speak to the DSL if they have any concerns about peer-on-peer abuse.

- All staff will understand the importance of challenge inappropriate behaviour between peers, and will not tolerate abuse as “banter” or “part of growing up”.
- Peer-on-peer abuse can be manifested in many different ways, including:
 - Bullying, including cyberbullying and prejudice-based or discriminatory bullying.
 - Abuse in intimate personal relationships between peers.
 - Physical abuse – this may include an online element which facilitates, threatens and/or encourages physical abuse.
 - Sexual violence – this may include an online element which facilitates, threatens and/or encourages sexual violence.
 - Sexual harassment, including online sexual harassment, which may be standalone or part of a broader pattern of abuse.
 - Causing someone to engage in sexual activity without consent.
 - The consensual and non-consensual sharing of nude and semi-nude images and/or videos.
 - Up skirting.
 - Initiation- and hazing-type violence and rituals, which can include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group, and may also include an online element.
- All staff will be clear as to the school’s policy and procedures regarding peer-on-peer abuse and the role they have to play in preventing it and responding where they believe a child may be at risk from it.
- All staff will be made aware of the heightened vulnerability of pupils with SEND, who evidence suggests are more likely to be abused than their peers. Staff will not assume that possible indicators of abuse relate to the pupil’s SEND and will always explore indicators further.
- All staff will be made aware of the heightened vulnerability of LGBTQ+ pupils, who evidence suggests are also more likely to be targeted by their peers. In some cases, pupils who are perceived to be LGBTQ+, regardless of whether they are LGBTQ+, can be just as vulnerable to abuse as LGBTQ+ pupils. The school’s response to sexual violence and sexual harassment between pupils of the same sex will be equally as robust as it is for incidents between children of the opposite sex.
- Pupils will be made aware of how to raise concerns or make a report and how any reports will be handled. This includes the process for reporting concerns about friends or peers. Pupils will also be reassured that they will be taken seriously, be supported, and kept safe.
- The school’s procedures for managing allegations of peer-on-peer abuse are outlined in the Peer-on-peer Abuse Policy. Staff will follow these procedures, as well as the procedures outlined in the school’s Anti-Bullying Policy, where relevant.

3. Rewards and Sanctions

We celebrate good behaviour and learn from mistakes.

We set high expectations of behaviour and reinforce appropriate behaviour with the children through assemblies, the PSHE curriculum and praise and rewards.

We reflect on mistakes and sanction inappropriate behaviour according to the guidelines in this policy.

Rewarding good behaviour

3.1. Pupils are rewarded for good behaviour with:

- Certificates
- Golden Time
- Head Teacher awards
- Learning behaviour awards/stickers
- House Points
- Verbal praise
- Stickers
- Prizes
- Class rewards

It is important that golden time takes place every week so that the children are encouraged to behave appropriately and are rewarded for doing so. It is also important to ensure that every child receives a good behaviour/good work certificate each year and to ensure this, a record of this should be kept by the class teacher.

4. SANCTIONS:

All classes should have:

- 'Golden Minutes' chart
- 'The Steps Chart' displayed
- 'Traffic Light' warning system in their class
- Record of warnings / lost minutes / time out
- 'How big is my problem?' poster for self-regulation

The Step Chart below enables staff to monitor inappropriate behaviour more specifically and reminds children of the consequences of their actions.

This procedure is meant as a guidance for staff and will be implemented taking into account each individual case and situation. Where a serious incident occurs, the steps may be escalated.

Steps 1 – 3 will be recorded on the classroom behaviour tracking sheet.

Step 1

Use the class Traffic Light system. Move the child from green to orange and warn them that if they repeat their behaviour or continue to behave inappropriately they will move to red and lose 2 Golden Minutes.

Step 2

Move the child from orange to red and cross off 2 Golden Minutes on the chart. Remind the child of what the next step will be if they continue to make the wrong choice.

Step 3

If low level unacceptable behaviour continues in the same session, move the child to sit near someone else, or alone, or on the carpet or other identified area as appropriate. Remind the child of what the next step will be if they continue to make the wrong choice.

Steps 4 – 7 will be recorded on Integris.

Step 4

Send child to another class, preferably that of the Year Group Leader, for time out in another classroom. Later, they must complete a behaviour reflection form (masters of these are in the group room cupboard). The child should join the class and must not sit outside the room in the corridor. If appropriate, set a task to make amends e.g. writing a sorry letter to someone they have hurt or offended etc. Class teachers, as well as PPA teachers (if relevant), must inform parents at the end of the day.

Step 5

If the behaviour continues the Year Group leader meets with the child, class teacher and parent to set goals to encourage improved behaviour. Records of this should be kept in the class teacher's SEND folder. Class teachers must notify the parents.

Step 6

If the behaviour does not improve the Deputy Head and Class Teacher meets with the child and the parent. An appropriate sanction is agreed. Deputy Head to discuss ways forward and set behaviour targets with parents. Any targets set should be recorded and a copy put in the SEND Folder.

If low level incidents of unacceptable behaviour become persistent, interventions need to be put in place to monitor and support the child. The following strategies may be used:

- Individual behaviour charts to praise good behaviour and monitor inappropriate behaviour
- Rewards/recognition of improved behaviour
- Feedback to parents on a regular basis
- Where relevant, outside agencies e.g. Primary Project, CAMHS etc will be involved

Step 7

If unacceptable behaviour persists, parents will be required to meet the Headteacher and a fixed term suspension may be sanctioned. Home learning will be provided. Parents/carers are informed in writing of the reasons for the suspension and their right to appeal. In these cases borough and national guidelines are followed by the Head Teacher. Parents will be required to attend a return to school meeting with their child after the fixed-term suspension.

Educational Visits

If a pupil has had recent incidents of refusing to respond to adult direction, for reasons of health and safety, they will not be able to participate in off-site educational visits. In this case, the pupil will remain in school and be educated in another class. Any relevant information and or work sheets on the activity will be shared with the parents.

In the playground

If inappropriate behaviour occurs the child should be given some 'thinking time' in a dedicated area to reflect. For more serious incidents of unacceptable behaviour e.g. swearing at another person or physically hurting someone else, move straight to Step 4. If the serious behaviour is repeated by a child who has previously behaved in the same manner, moving straight to Step 5 or 6 would be appropriate.

Children with SEND

Children with particular needs may have an additional programme of guidance and strategies. All staff, including meal time supervisors, will be aware of children with particular behavioural difficulties and the strategies in place to support them. If a child is giving cause for concern, the SENCO is approached and the difficulties of a particular child are discussed. Additional advice may be sought from outside professional agencies.

5. PHYSICAL RESTRAINT/USE OF FORCE

Physical restraint of a pupil is used as a last resort and to show a child that we care enough about them not to let them be out of control. Staff are trained in the use of restraint, where appropriate. If restraint is used on a pupil, the parent is always contacted and is expected to come into school to discuss the way forward in the best interest of the pupil.

The Education Act 1996 allows all teachers the use of reasonable force to prevent a pupil from

- 1) Committing a criminal offence
- 2) Injuring themselves or others
- 3) Damaging property
- 4) Acting in a way that is counter to maintaining good order and discipline at the school.

Staff other than teachers and volunteer helpers are also able to use reasonable force if necessary, provided they have been authorised by the Head Teacher to have control or charge of pupils. Adults with such authorisation include teaching assistants, welfare officers, those accompanying pupils on visits etc. The Head Teacher will keep an up to date list of authorised people and may provide training or guidance to ensure that everyone is clear on the policy. Specific skills training will be provided at regular intervals.

Detailed records are kept of any incident/s where force is used. These are reported and filed with the Head Teacher. Parents are always informed and asked to discuss the incident and steps forward.

Records of incidents include the following information:

- The name of the person applying the use of restraint
- The name (s) of the pupil(s) involved
- When and where the incident took place
- How long the pupil was restrained for
- Why the use of force was deemed necessary

Details of the incident, including all steps taken to diffuse the situation and resolve it without force, and the nature of the force used

- The pupil's response
- The outcome of the incident
- A description of any injuries suffered by the pupils or others and/or any property damaged during the incident ***What is reasonable force?***

There is no legal definition of reasonable force so it is not possible to set out comprehensively when it is reasonable to use force or the degree of force that may reasonably be used. It will always depend on all the circumstances of the case as well as the age of the pupil.

There are two relevant considerations:

1. The use of force can be regarded as reasonable only if the circumstances of the particular incident warrant it; therefore, physical force could not be justified to prevent a pupil from committing a minor misdemeanour or in a situation that clearly could be resolved without force.
2. The degree of force employed must be in proportion to the circumstances of the incident and the seriousness of the behaviour or the consequences it is intended to prevent. Any force used should always be the minimum needed to achieve the desired result.

6. Items banned from school premises

6.1. Fire lighting equipment:

- Matches, lighters, etc.

6.2. Drugs and smoking equipment:

- Cigarettes
- Tobacco
- Cigarette papers

- 7.5. Pupils and staff are required to follow the school's Drug and Alcohol Policy.

8. Searching

- 8.1. Staff members may use common law to search pupils, with their consent, for any item, including their pockets, backpacks and classroom trays.
- 8.2. Under part 2, section 2 of the Education Act 2011, teachers are authorised by the Head Teacher to search for any prohibited item including, but not limited to, tobacco and cigarette papers, illegal drugs, and alcohol, without the consent of the pupil, provided that they have reasonable grounds for suspecting that the pupil is in possession of a prohibited item.
- 8.3. Following a search, the Head Teacher will contact the parents/carers to advise them of the procedures which were undertaken.

9. Confiscation

- 9.1. A staff member carrying out a search can confiscate anything they have reasonable grounds to suspect is a prohibited item.
- 9.2. If the pupil has possession of illegal items, this may be reported to the police.

- 9.3. Parents/carers will be informed of any confiscated item and may be required to collect the item (unless the item relates to alcohol, illegal drugs or tobacco), from the school.

10. Outside school and the wider community

- 10.1. Pupils at the school must agree to represent the school in a positive manner.
- 10.2. The guidance laid out in the Code of Conduct applies both inside school and out in the wider community, including public transport, particularly if the pupil is dressed in school uniform.
- 10.3. Complaints from members of the public about bad behaviour by pupils at the school, are taken very seriously and will be dealt with in accordance with the Complaints Policy.

11. Monitoring and review

- 11.1 Impact of the behaviour policy is an agenda item at SMT and the termly SEND and Inclusion committee meetings.
- 11.2 The number of serious behaviour incidents, use of internal exclusion, external exclusion, racist or prejudice based incidents plus allegations against staff are reported termly to the governing body.
- 11.3 This policy will be reviewed by the Head Teacher and governing body on an annual basis, who will make any necessary changes and communicate this to all members of staff.
