## Safeguarding: Online Safety Workshops for Parents at Garden Suburb

Online safety is becoming increasingly more important for parents at Garden Suburb to be aware of in order to keep their children safe. Many parents believe that their children know more about the internet and technology than they do, and this can sometimes be a difficult issue to overcome. It is important to remind parents that online safety is more about parenting and communication skills than technology.

Please see below the link to the online safety sessions that Barnet is providing, free of charge, for the parents at the Garden Suburb Schools.

The sessions are live on 'Teams' and can be accessed from a mobile, computer or tablet.

**Course title:** Online Safety

**Date:** Wednesday 25th May 6:00pm -7:00pm

**Course Provider:** Liam Foote
