24th February 2023

Dear Parents and Carers

Dates for your diary

➤ School Closure next week - Thursday 2nd March

You will no doubt have heard on the news about additional planned strikes in the UK, by school teachers. The next is due to take place on **Thursday 2nd March**, followed by two more possible dates on the **15th and 16th March**. These strikes are about the issue of funding for schools, as well as school teacher pay. These are both issues that have had a major impact on our school, and our school teachers. We are hoping that the need for industrial action will be averted before the planned strike days, but you will need to be aware that the schools are likely to need to close on **Thursday 2nd March**, and the subsequent days if the strikes go ahead. We will, of course, keep you updated if this changes..

➤ Year 4 Class Assemblies - Parents invited to attend.

Over the course of the year all classes will have an opportunity to perform to their parents. The Year 4 Class Assemblies are at 2:30pm in the Junior Hall on the following dates:
4S Tuesday 28th February

➤ PTA – look out for the man in an orange jumper and wearing a Santa hat next Wednesday!

Thank you to everyone who attended the meeting today to discuss fundraising. It was also useful to get some feedback from parents on how to improve both communication and engagement. We want to ensure that all classes have a Class Rep. The Chair of the PTA, Andrew, will be in the playground on Wednesday 1st March at pick up. He will be collecting names and numbers of people who are prepared to be the Rep for their child's class. You won't be able to miss him as he will be wearing an orange jumper and Santa hat!
The next PTA meeting is Friday 31st March 9:00am.-

➤ Second Hand uniform Sale: Friday 3rd March 3:00pm in the Junior playground. Please bring cash.

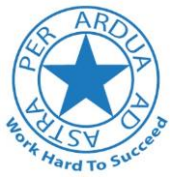

➤ Parent/Teacher Consultations- Save the date

Tuesday 7th March 3:40pm - 6:30pm

Thursday 9th March 3:40pm - 6:30pm

All parents are expected to take advantage of this opportunity to meet with their child's teacher and look at their child's work. Booking is now open through ParentMail. Please check your email.

Learning Resources and Activities on the website

The Learning Zone includes ideas and resources for children to enjoy at home. We are regularly updating this area. Click on the individual subject links to access some interesting and fun activities.

Please also see the document '[Activities for Children to do at home](#)'

This includes a range of activities designed for your child to practise core concepts and consolidate learning in different subject areas. Most of these activities do not require access to the internet. This document is also attached to this email. Click the link below to access these home learning resources.

Mathematics Learning Zone website update

The Mathematics page of the Learning Zone on the website has now been updated. It includes fun and engaging mathematical games and resources to help your child consolidate and pre learn important mathematical skills. Using games to learn can help increase participation, foster social and emotional learning, and motivate children.

There are a variety of websites that can be accessed on a computer or tablet, iPad/tablet apps to download, books to purchase and activities to enjoy at home and out and about.

Playtimes

This week we have been continuing our trial of some timetable changes in order to maximise learning time and support managing behaviour in the playground.

The new timetable we are trialing is:

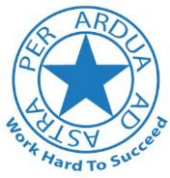

Whole school playtime 10:05am – 10:20am

Whole school lunch time play at 12:20pm-1:20pm, however Year 3 go to lunch first at 12:15pm

We have been trialing separate playing areas for lower school and upper school which will be alternated each week. This timetable change has had a positive impact on maximising learning time and has facilitated for three one-hour lessons in the morning and two one-hour lessons in the afternoon. It has also had a positive impact on the behaviour in the playground and prevented certain areas becoming overcrowded.

We know that the children, especially the upper school who have had the greatest change, are still adjusting and we are listening to their feedback. We are going to continue the trial next week.

Reminder: We encourage you to provide a fruit/veg snack for your child to enjoy at playtime. We have noticed that many upper school children do not bring a snack. You might want to discuss this with your child as a snack may support better concentration, especially now that their longer learning block is after play.

Assemblies and Curriculum Events

We engage and motivate your children with a wide variety of events that enrich their learning experiences across the curriculum. We put a lot of emphasis on developing the children's 'cultural capital' this way. In addition, these events also support remembering of their learning.

Please see the 'Latest News' on our website for more details on our curriculum events

- **Art Gallery:** £225 was raised from the art gallery. Thank you for supporting this event.
- **World Book Day:** On **Friday 3rd March 2023**, we will be celebrating World Book Day at school with an exciting range of activities throughout the day, aimed at developing a lifelong love of reading.

Costumes

Children are invited to come to school dressed as a book character. At the end of this letter are some suggestions for simple, inexpensive ideas which have also been discussed in a whole-class brainstorming session with your child. Children will also be given the opportunity during Golden Time to create a piece of their costume using paper, cardboard and felt tips.

Extreme Reading Challenge

Children should post a picture on Showbie of themselves reading in an unusual place or position. The best entries will be displayed in the school and there will be a prize in each year group.

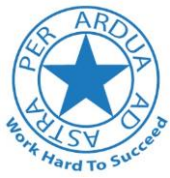

Amazon Wish List: To celebrate World Book Day, we have updated our Amazon Wishlist. We would be so grateful if you could purchase one of these books for your child's class. The list features lots of high-quality, age-appropriate books which reflect diversity in genres, authors and characters.
