Dear Parents/Carers

The children will bring their end of year reports home today. The Y6 reports will include their SATs results. Please check your children's bags.

Thank you to the 53 parents who have responded to our survey.

Your views are important to us. We have extended the deadline so more of you can complete it.

1. **Ofsted Parent View survey:** In order to actively seek the views of parents and carers, we are asking parents to complete the Parent View survey by **Friday 18th July**. We will use the analysis of the questionnaires to develop and improve different aspects of school life.

There are only 14 questions, so it should not take long to complete

You can access the survey from the following link:

<https://parentview.ofsted.gov.uk/>

2. **The Partnership for Inclusion of Neurodiversity in Schools (PINS) Survey:**

The project aims to support the education and health needs of neurodiverse children in schools through a partnership approach working with local authorities and parent carers.

As we are participating in the project, The Barnet Parent Carer forum are looking to collect parent carer voice via a survey. The survey is for all parents and carers attending our school.

The information from the survey will be used to understand the current strengths and potential areas of improvement on supporting neurodiversity in our school.

Please complete the survey by clicking on the link:
