- cater for the different ways children learn
- recognise the links between all aspects of a child's well being and their ability to learn
- use ICT as a learning and teaching tool in order to raise standards across the whole curriculum
- encourage children to respect the ideas, values and feelings of others enabling them to build positive relationships

Gift Aid Scheme
Garden Suburb School PTA
Charity No. 288398

As our school vision statement indicates, we have very high aspirations for all the children.

Our children are lucky enough to enjoy the facilities of a modern school. However, along with other schools we feel that extra resources can really help to enhance the quality of teaching and learning within the school. The PTA have, over the years, raised a substantial amount of money, organising fairs, discos and many other events. The school has been able to spend this money in many different areas including the installation of interactive whiteboards in all classrooms, new curtains and stage lighting for our school hall as well as carpets and new furniture for the classrooms.

Some parents/carers find it difficult to attend fund raising events due to other commitments, so we are now following the path of many other state schools by pursuing a second strand of fund raising, by asking parents to contribute small sums regularly. This may appeal to those parents who do not have time to actively participate in fund raising but want to want to make a contribution.

The Gift Aid scheme is voluntary. There is no obligation to participate. Gift Aid is administered by the school PTA and details of any payments are not shared with school teaching staff.

The fund makes it easy to make regular monthly donations. 'One off' donations are also welcome. If you are a UK tax payer, for every pound that you donate, we will be able to claim back 25p basic tax rate. If you would like to support the 'Gift Aid' scheme, please complete the form and return to the junior office.

Fund raising helps us to buy special resources for your children to enjoy!
